In consideration to other students, please be prompt to class. Parents are not allowed to sit in on the classes. You can request to stay a few minutes on the first day of class to make sure your child feels comfortable. Please **do not** drop off your child more than 5 minutes early to class and pick them up promptly afterwards. There is a 5 minute grace period for picking up your child. Anytime beyond this, a fee of \$5 per 5 minute increment will be charged. The instructor reserves the right to discontinue service to anyone for inappropriate behavior or misconduct, parent or student. Tuition will be forfeited if this should occur.

Studio Etiquette and Decorum

To maintain a peaceful and productive studio environment, I ask students to observe a few golden rules listed below. Parents will be given notice if any of the rules are **frequently** breached. Students are given the chance to work it out. Regrettably, an automatic dismissal occurs on the 3rd notice without refund of tuition.

1. Do not interrupt the instructor when she is talking to the class or other students.
2. Try your best to listen to instruction and concentrate on the project at hand.
3. Clean up after yourselves when finished.
4. Always, strive for positive attention from the teacher. Be content to come to class.
5. Minimize conversations while doing art work. There will be plenty of opportunities to share ideas about art and get to know each other throughout the semester.
6. Keep your hands to yourselves and your work.
7. Refrain from antagonistic behavior towards the instructor or other students.
